

SuperScrape™ Mats

Scraper Mats • Outdoor

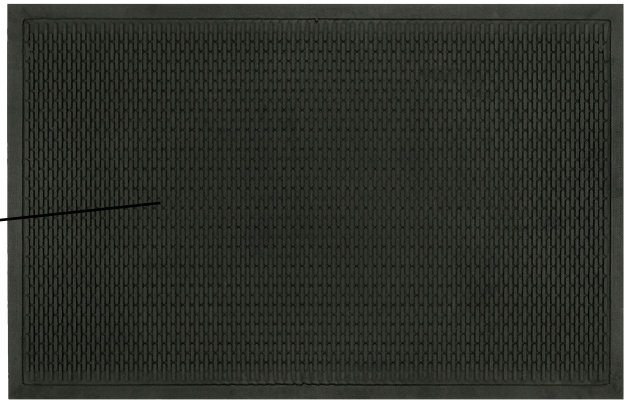

SuperScrape mats feature molded tread surface cleats that effectively scrape tough dirt and grime from shoes. They are ideal for use outside as a scraper mat or as a slip-resistant mat in wet areas.

- **Clean** – Surface cleats effectively remove and trap dirt and sand below shoe level to prevent tracking
- **Safe** – Slip-resistant even in wet environments; certified high-traction by the National Floor Safety Institute (NFSI)
- **Durable** – Grease/oil proof and chemical resistant
- **Easy to Clean** – Lightweight flexible design ensures easy handling and cleaning (shake off soil and hose off); can be commercially laundered or autoclave sterilized

Surface cleats
effectively remove dirt and sand from shoes, and trap it below shoe level to minimize tracking
